7. Other Council Business
8. Community Comment

The purposes of school community councils are:

- To build consistent and effective communication among parents, employees and administrators
- To allow parents an opportunity to be actively involved with the school in the education of their children
- To make good school great

Council Responsibilities:

- Review school data
 - Councils review group results but individual data is not shared
 - Other assessments may also be reviewed
- Develop a School Improvement Plan
- Develop a School LAND Trust Plan
- Participate in the development of the Professional Development Plan
- Advise the school administration on local school issues
- Provide an opportunity for issues of concern in the community to be presented to the school administration
- Ensure Digital Citizenship is taught to parents and students
