

# Ferron Elementary School

## School Community Council Meeting Minutes Tuesday, March 16, 2021 @ 10:00 a.m.

### AGENDA

#### → Review & approve previous SCC meeting minutes (3-2-21)

- ◆ approved by Council

#### → Art Gallery Follow Up

- ◆ Brindy & Kim shared ideas/resources. Council agreed they would like to limit it to the visual arts. They feel it would probably be best to keep it the same throughout the school and have work done in the classroom. Let teachers decide how they would like to implement the projects (medium to use, etc.) using the chosen theme.
- ◆ Theme for Spring 2021: "I choose to be..."
- ◆ Dates for Art Gallery: May 3-May 14: prepare art; May 19-21: parent viewing/judging during school; May 21: Winner announcement at end of year program. Every participant will receive a participation treat and Recognition Awards (3 per grade) given to outstanding entries.
- ◆ Details finalized at next SCC meeting. Instructions will be given to teachers for guidance.

#### → School LAND Trust, TSSP & ESSER I Budget Review (2020-21)

- ◆ Funding has been distributed as previously determined with a less than 10% rollover. Excess funds were used to purchase additional technology including a Chromebook cart and higher quality headphones for every student.

#### → School LAND Trust, TSSP & ESSER II Planning (2021-22)

- ◆ Discussion ensued regarding teaching positions and the ideas of hiring a half-time teacher through these funding sources. Other funding ideas include technology needs, increasing intensive intervention resources such as the Really Great Reading program and additional professional development. Social-emotional curriculum is also part of the discussion and a need that will be included in the funding. This will be coordinated with the school counselors.

#### → Other Council Business

- ◆ Discussion regarding the new facility and changing the school colors and possibly the mascot as choices are made for the building.
- ◆ Audrey Winn is gone for maternity absence and Dawnette Thompson will be her long-term sub. Dawnette is recently licensed and wrapping up her student teaching at Castle Dale Elementary. She will begin at Ferron Elem. on Mon., March 22nd.
- ◆ Next SCC meeting will be held on Tue., March 30th @ 10 a.m.
