In Attendance- Heather Behling, Jacki Behling, Kim Behling, Jessica Greenhalgh, Brindy Grange, Christella Lake, Kenzi Guymon

AGENDA

→ Review & approve previous SCC meeting minutes (1-19-21)

- ◆ Reviewed & Approved unanimously

→ Gifted & Talented Program follow-up

- ◆ Program going very well, students learning team building skills, supplies have been ordered. Next year may look at criteria for eligibility and possibly limit it to 5th grade only. Mrs. Bennett is planning to do a water-works system to end the year and then do a field trip tour of the new Millsite Dam.
- ◆ Community Council would like to do an Art Gallery in the spring with the whole school. They will select categories (3-D, literature, categories) pick a theme, divide into age categories, and decide if entries will be judged. They will schedule to do it after state testing is complete.

→ TSSP & School LAND Trust Planning for 2021-22

- ◆ SLT budget overage- ideas for using funds: take G&T program to Clark Planetarium, TV's and other technology needs.
- ◆ Discussion on funding for next school year: social-emotional program, technology (headphones, TVs, 3D printer, new iPad cart), staff team building (investment in staff well-being, direct counseling), Mystery Science program, summer school tutoring, distance learning platform development, Solution Tree Global professional development, extending the Gifted & Talented program.

→ New Ferron Elementary Facility Update

- ◆ Building C asbestos removal is complete and demolition will begin in late spring.
- ◆ New building will begin late spring, early summer.
